**LIONS CLUBS INTERNATIONAL
105NE 28th ANNUAL CONVENTION**

The De Vere Collection Sleafly Hall, Northumberland, NE47 0BX

12th – 14th November 2010

**A MESSAGE FROM DISTRICT GOVERNOR
LION LARRY COLLINS**

I am delighted to extend the warmest of welcomes to all Lions, Lionesses, LEOs, partners and friends attending this 28th Annual Convention in De Vere Collection Sleafly Hall, Northumberland.

Last year's Homecoming Convention in Edinburgh was an excellent weekend and this our 2010-2011 Convention will I am sure prove to be just as good maybe even better! As you are no doubt all aware we are in lands of the Border Reivers."The Lions Clubs International President Syd Scruggs III, now a US citizen, is descended from an Aberdeen / Border Reiver family.

Both Pauline and I originate from The Stewartry of Kirkcudbright, now Dumfries and Galloway just over the border in the lands of the Douglas family, perennial foe of the Percy's, both families for many years were "The Reivers Extraordinaire"

The nearest town to Sleafly Hall is Hexham. A rightly famous market town, which grew up in the precincts and surrounds of the historic abbey, and still lays claim to the ancient Episcopal see, it is the RC. Bishop of the Dioceses Hexham and Newcastle. The historic "town jail house" is worth a visit as are the abbey "grounds". The magnificence and power of the abbey, and the significant part it played in the formation of the Border Lands can still be conjured up by the ruins.

You will be "royally" welcomed at Sleafly Hall and can relax in the pool and enjoy spa facilities. If you play golf, play on either of the two championship courses.

For those who "enjoy rambling" the surrounding countryside is a joy to behold and a bonus to the other first class "leisure time" facilities.

Many of you may not have been to a District Convention. Make this the year you change that. This year our Multiple District reached its "sixtieth year". After a tumultuous year with a damaging split it is time for us to come together, heal, renew our vision and remember why we all became, at various times over the last half century, Lions. It was and still is "To help others".

Let's get on with it, be part of it, get involved, have your say! Come and join us, renew old friendships, make new ones.

Pauline and I are looking forward to seeing you all, some for the first time as new friends and some as old friends.
